Sub: Kamdhenu Gau-Vigyan Prachar-Prasar Examination- reg.

Sir,

I am directed to forward herewith a copy of DO letter No. RKA/DMS/99/2021/1156 dated 22.01.2021 received from Dr. Vallabhbhai Kathiria, Chairman, Rashtriya Kamdhenu Agyog, Government of India, New Delhi, on the subject noted above.

2. In this regard, Rashtriya Kamdhenu Agyog is going to conduct an All India On-line "Kamdhenu Gau-Vigyan Prachar-Prasar Examination" on 25th February 2021, for students of primary, secondary & senior secondary schools / colleges / universities and for all citizens. The questions will be based on Cow-culture, Cow-preservation, Cow-based products, and economic / scientific / environmental / cultural / spiritual relevance of indigenous cow.
3. Therefore, CCIM/CCH are requested to circulate the letter to all universities and colleges under Ministry of AYUSH to get wider publicity and encourage maximum students to enroll / register themselves for the exam.
4. This has the approval of Secretary (AYUSH).

Encl: As above

Yours faithfully,

DO No. RKA/DMS/99/2021/1156
January 22, 2021

Dear Sir,

Sub : Kamdhenu Gau-Vigyan Prachar-Prasar Examination – reg.

Ever since the establishment of Rashtriya Kamdhenu Aayog (RKA) in February 2019, it has been working on dissemination of information on economic, scientific, environmental, health, agriculture, and spiritual relevance of indigenous cow in the country. Its efforts have yielded good results and perception of common man towards indigenous cow has changed. The message that the cow is just not a milk-giving cattle, but its panchgavya, mainly cow dung and cow urine, can be well utilized for production of bio-gas, bio-manure, bio-pesticides to make the soil free of poisonous chemical pesticides. Other uses of cow-dung and cow urine are in manufacture of products of daily use like ayurveda medicines, supplements for boosting immunity, Ark, phenyl, sanitizer, idols of god and goddess, diya, dhooop, gau-cast, tiles, plywood, bricks, kanda, flower pots, papers, bath soap, shampoo, tooth powder, face cream, etc

2. Protection & Preservation of Cow is an integral part of our life as it is ingrained in our culture & tradition and as such cow is dearer to us, as our mother & children. Cow is respected & revered unique deity with unlimited universal benefits.

3. Our young generation is not aware of the importance & significance of cow-economy, mainly because of influence of western / modern life style. To re-write / revolutionize the attitude of people to sensitize them on preservation of cows, Rashtriya Kamdhenu Aayog launched intensive awareness campaigns in the year 2020 beginning with Gomaya Ganesh, Kamdhenu Gomaya Deepawali, etc. wherein domestic production and use of cow-based Panchgavya products along with promotion were emphasized. The Central Govt, all State Governments, NGOs, Research Institutions, Universities and related stake holders actively supported to make these Campaigns grand success. As such we could establish a strong & nation-wide network to enlighten and create awareness about the various benefits of indigenous cow among people & organizations.

4. Encouraged by the success of these Campaigns, RKA is launching another innovative move i.e. to conduct an All India On-line "Kamdhenu Gau-Vigyan Prachar-Prasar Examination", on 25th February 2021, for students of primary, secondary & senior secondary schools / colleges / universities and for all citizens. The questions will be based on Cow-culture, Cow-preservation, Cow-based products, and economic / scientific / environmental / cultural / spiritual relevance of indigenous cow. All the participants will be given appreciation certificates. Relevant information for this exam is available on our website i.e. "kamdhenu.gov.in".

5. Hence, Certificates / Awards issued to students in Kamdhenu Gau-Vigyan Prachar-Prasar Examination will be of much help and support them in pursuing such studies on Cow Entrepreneurship in future.

6. I have written a letter to Minister of Education and Secretary (Education) of all States of India. The success of this exam would highly depend upon your support. I request you to issue necessary instructions to VCs / Principals of universities / colleges under Ministry of Ayush to give the matter wide publicity and encourage maximum students to enrol / register themselves for the exam. A small write-up about the exam is attached herewith.

With High Regards,

Pl. put up quickly

Yours sincerely,

(Dr. Vallabhbhai Kathiria)
